

Welcome..... To Trinity Chapel Preschool

Where learning is
A Fun-filled
Adventure!

Statement of Purpose

Trinity Chapel Preschool is a preschool program designed to be Christ centered. Our desire is to create a unique educational environment that will teach the whole child through center-based learning, using positive attitudes that will build each child's character and esteem.

What is Center-Based Learning ?

Center-based learning is a hands-on, developmental learning style that enhances the unit of study. It provides a framework for students to develop at their own level of achievement as they explore, discover and learn about the many wonders of God's world.

We use the A Beka curriculum as our core curriculum to provide a strong foundation in phonics. We also draw from other curricula which enhance and contribute to a well rounded program emphasizing math, science, foreign language, music, art and more.

Activities

Preschool is a time for developing a love for learning and for coming to school. Children experience a variety of activities. Some of these include:

- * Library time
- * Chapel
- * Special events
- * Music class
- * Field trips
- * PE

Whether it's acting out an exciting Bible story in chapel, developing a love for reading during library time, learning to sound out a word, or mastering a new skill in PE, there are always discoveries to be made that make learning FUN!

Classes Offered

Preschool classes - 9am to 12 noon.
*3 year classes Monday-Wednesday.

Bon Appétit Kids™

Bon Appétit Kids is a cooking class designed for preschoolers. It meets on scheduled days from noon to 1:30 pm. Children are introduced to a variety of foods and participate in preparing and eating delicious and nutritious meals. Skills such as simple measurements, cleanliness, good nutrition, and social and table manners are emphasized. Space is limited due to small class size, so early sign-up is encouraged. An additional fee applies.
